

Providence Little Company of Mary Hospital San Pedro

This project identifies best practices in new employee retention. MBA Consultants, HRS, determined the key to becoming an Employer of Choice, a Premiere Career Destination -- a workplace where top talent flock, stay and make valuable contributions to the organization. The key is to develop and implement best practice programs that address critical retention areas from the existing membership to be trained in sales and marketing to promote the internal membership growth as well as community outreach.

Project Description

Delivering Real Competitive Advantage through High Impact First-Year Employee Retention Strategies

Team Members: Lauren Heideman, Mona Rand, Marina Sandoval
