

Special Spirit Inc. – Funding Source

Special Spirit Inc. located in Shadow Hills, California, is a non-profit organization that provides affordable equine assisted therapy. F.G.O. Consulting Group was engaged to help Special Spirit Inc. find funding sources to support installation of a permanent arena cover, equipment upgrades for an ADA compliant facility

and riding program operations. Three letters of intent were developed for major foundations in addition to a grant proposal for the permanent arena cover. A grant template was also developed for future requests as well as a telephone script to invite local retailers to participate in support of the important mission and ongoing contributions of Special Spirit to the lives of the people they serve.

Project Description

Identification of funding sources for capital improvements and ongoing operations.
