APPLICATION INSTRUCTIONS

Each year at Mount Saint Mary’s University in Los Angeles, we seek to develop a university setting that is dynamic, diverse and intellectually curious. We hope that you will become a part of that community. Each student’s application is considered very carefully. All of the documents are read by the Admission Committee prior to any decision being made. Please follow the information written for the program to which you are applying. Please note that all admission decisions are made without consideration of financial circumstances [we are need-blind]. If you have any questions at all, please call your admission counselor at 800.999-9893. We are here to help you. If you would prefer to complete your application online, please go to www.msmu.edu and follow the Admission links or go to the Common Application at commonapp.org.

THE ADMISSION PROCESS
Please refer to the checklist included in this application for the required documents and priority dates/deadlines.

Once all of the application documents have been received, your file will be reviewed by your admission counselor. For first-year and transfer applicants, the decision will be made by the Admission Committee and mailed within a few weeks. Some first-year students applying to the four-year baccalaureate program at Chalon may be given the opportunity to begin their studies at Doheny. This program allows students to improve their academic preparation with small class sizes and intensive skill development.

EARLY ACTION PROGRAM
First-year applicants have the option to apply under the Early Action program. To participate, the Admission Office must have all application documents postmarked by December 1 and you will receive your admission decision by mid-January. This decision is non-binding and admitted students have until May 1 to accept their offer of admission. To be considered for the full-tuition Le Puy Scholarship or direct admission to the BSN program, students must apply under Early Action.

ENROLLING AT THE MOUNT
Priority consideration will be given to students applying by the stated dates and deadlines. After you have been admitted, you are encouraged to visit or revisit the Mount to learn more about your opportunities here. Financial aid decisions are made after admission, but you are encouraged to follow the instructions in the Applying for Financial Aid section to insure the best financial aid award possible.

Information about tuition deposit deadlines for each program are included in letters of admission. If you have any questions throughout the process, please contact your admission counselor at 800.999.9893.
FINANCING YOUR EDUCATION

Mount Saint Mary’s University in Los Angeles is committed to assisting students and their families in financing their college educations. Each year the Mount awards over $9 million in scholarships and grants (monies that do not have to be repaid) to our undergraduate students.

The Financial Aid staff will work with you and your family to discover the resources necessary to pay for your educational costs. Resources include merit awards and grants, low-interest educational loans and campus work opportunities.

APPLYING FOR FINANCIAL AID

While you are applying for admission to the University, you should also be applying for financial aid. Do not wait to learn of your admission to begin the process. Complete all necessary forms between October 1 and March 2 to be eligible for the best possible package.

To apply for any form of need-based financial aid, you must complete the following:

YOUR FINANCIAL AID AWARD

When your financial aid application is complete, your Financial Aid counselor will review the documents. If there are questions, he or she will contact you. As always, please respond to any requests from the Financial Aid Office regarding your financial aid package as promptly as possible.
