Welcome Week
Get to know your fellow Athenians, attend the Student Involvement Fair, enjoy a wine-tasting event, and more!

Advisors and Mentors
Work with a personal faculty advisor to lay out your educational path from day one. Learning centers offer free tutoring and writing assistance for your academic success.

Residence Life
Build deep friendships and support systems while living together in the dorms and eating in the dining hall.

Wellness
Focus on your overall well-being through the Wellness Initiative. Learn to eat green, move more, destress and sleep well.

Study Away
Travel with faculty to places like Vietnam, Cambodia, Thailand, Peru, Argentina and Brazil. Or study abroad for a semester or year at no additional cost!

Leadership
Get involved with MountLeads and Leadership Scholars—the most acclaimed undergraduate leadership programs in the country. Attend a Public Leadership Education Network conference, the only non-profit national organization preparing college women for careers in public policy. The Mount picks up most to all of the expenses.

Research
Work side-by-side with faculty on original research—it’s required of all science majors. Mount students from many majors present research findings at leading academic conferences.

Honors Program
Engage with highly motivated students and enjoy co-curricular activities—such as the “Food for Thought” and “City of Tech” series. A 3.5 GPA is required for Honors Program eligibility.

Job Search Assistance
Develop your resume and interviewing and networking skills in workshops and individual sessions.

Career and Community Fair and Graduate Fair
Explore internships, jobs and graduate schools.

Etiquette Dinner
Refine your interview and networking skills in the elegant Dohney Mansion.
