

## Evaluation of Content Area Coach Experience by Coaches

**Course Number** \_\_\_\_\_ **Semester and Year** \_\_\_\_\_

The MSMU Secondary Teacher Preparation Program employs Content Area Coaches—expert teachers in the various subjects—to instruct, guide, and support our credential candidates in the acquisition of critical content area knowledge and skills. Thank you for serving in this important role this semester! As part of our program evaluation, we ask that you provide us with your evaluation of the effectiveness of the Coach experience this semester. Please use the rating scale below to respond to the following items:

**4 = agree to a great extent    3 = agree to a moderate extent    2 = agree to a minimal extent**  
**1 = don't agree at all    0 = unable to respond/don't know**

1. I received adequate guidance from the university instructor as to the content-specific pedagogical knowledge and skills I was expected to help students develop during the Content Area Module.	4   3   2   1   0
2. I would have liked more specific guidance as to what to do during each Content Area Module.	4   3   2   1   0
3. I had sufficient professional knowledge and experience to impart to these students preparing to teach my content area.	4   3   2   1   0
4. I enjoyed meeting with the students at the university in the Content Area Modules.	4   3   2   1   0
5. I enjoyed facilitating their fieldwork experiences at my school site.	4   3   2   1   0
6. I received adequate information about each fieldwork assignment from the university instructor.	4   3   2   1   0
7. I think my Content Area Module students benefited from my guidance and from the fieldwork experience at my site.	4   3   2   1   0
8. I thought the length of the Content Area Modules was appropriate for the content we were expected to address.	4   3   2   1   0
