EDU 279: Supporting Students with Neurological Disorders

Summer 2020

May 31 – August 16, 2020

Instructor: Lisa Moncayo, M.A.

Location: Online

E-mail: lmoncayo@msmu.edu

Phone: (562) 551 - 8757 (Google voice)

Office hours: By appointment (zoom, google meet or phone). Please email/text for an appointment. *Estimated response time to email/text/phone can be up to 48 hours.*

Required Textbooks:

1. Hall, Laura J. (2018) *Autism Spectrum Disorders: From Theory to Practice Third Edition*, Pearson Education Inc. ISBN-13: 978-0134531519 ISBN-10: 0134531515
2. Boroson, Barbara. (2016). *Autism Spectrum Disorders in the Inclusive Classroom*. Scholastic Inc. ISBN-13: 978-1338038545 ISBN-10: 1338038540
3. *Instructor will provide other readings as assigned on the syllabus course schedule.*

Course Description

Advanced level educators design and implement an educational program for students identified within the paradigm of neurodevelopment or genetic disorders. Candidates learn to address the unique needs associated with motor abilities, sensory integration, cognitive processing, communications skills, behavior, and academic/ social performance. Candidates gain the skills to supplement and coordinate the learning and functioning environments for student impairments and delays. (This course is required for the ASD Authorization.)

Course Objectives & Program Standards for ASD:

ASD Standard 1: Characteristics of Autism Spectrum Disorders

The program provides opportunities for the candidate to be able to identify the unique characteristics of students with ASD. The candidate demonstrates unique knowledge of cognition and neurology and the core challenges associated with language and communication, social skills, behavior, and processing and their implications for program planning and service delivery.

ASD Standard 2: Teaching, Learning, and Behavior Strategies for Students with Autism Spectrum Disorder

The program ensures that each candidate is able to demonstrate knowledge, skills, and abilities to become proficient in implementing evidence-based and multi-faceted methodologies and strategies necessary in teaching and engaging students with ASD from acquisition through generalization.

ASD Standard 3: Collaborating with Other Service Providers and Families

The program will ensure that each candidate teaching students with ASD is able to demonstrate the ability to collaborate as a member of a multidisciplinary team with all service providers and effectively interact with families.

Assessment of Student Learning Outcomes:

Student learning is at the core of the MSMU mission. MSMU faculty developed a plan to assess the student learning outcomes that represent the knowledge, skills, and attitudes expected of a student in our credentialing and Masters programs. In this class, one or more student learning outcomes will be assessed. Some of our class assignments may be used to evaluate overall student learning and to improve teaching and learning in this class, this Department, and throughout the University.

The course aims to model the importance of using multiples measures of assessment to gauge the progress of learners. **Assignments must be completed on time according to schedule. No late work will be accepted IF a prior arrangement has not been made with the instructor.** If you are absent, you may submit your work to Canvas before the start of the class session (on the due date).

MSMU College and Education Department Policies:

- **Attendance and Participation:**

Given the unique nature of Summer 2020 this course will be online and consist of synchronous and asynchronous learning activities. Synchronous sessions, if scheduled, will *only* occur the Sunday of regularly scheduled classes and attendance is required. **Students who miss a synchronous session should notify the instructor as soon possible (via email or text). If the session is missed it is the student's responsibility to follow up with the instructor to make-up this session.**

Note: 50% of the total points for attendance for missing a synchronous session can be made up upon completion a make-up assignment/activity. Participation will include separate points (see assignments section later in syllabus) and points for participation will comprise different activities as outlined on canvas.

- **Incompletes:**

Applying for an incomplete grade is not a solution to poor attendance and must be filed no later than 1 week prior to finals. Incompletes are meant to provide support for students who have experienced an emergency in their lives and need special consideration on a case-by-case basis. An application for an incomplete may be granted only if the student:

- Has completed the majority of assignments
- On the basis of the work completed, has a passing grade in the class (C or better). This is not necessarily the same as the default grade. In other words, although the student may have a B grade for the completed work, if they fail the missing assignment or do not complete it, their final grade might be a D.
- Is prevented from completing the final assignment for serious medical/personal reasons
- Can complete the work within one semester

- **Academic Integrity:**

Candidates are expected to adhere to the MSMU statements on Academic Integrity published in the MSMU catalog.

- **Technology Policy:**

Candidates are expected to adhere to the MSMU technology policy as stated in the MSMU Student Handbook.

- **Academic Freedom:**

Students' and faculty's freedom of speech is constitutionally protected, so they are free to take reasoned exception to the data or views offered in any course of study and to reserve judgment about matters of opinion – and allow the same freedom for others. See MSMU's Student Handbook for further discussion.

- **Candidate Dispositions:**

The Education Department has adopted a Dispositions Statement that outlines expectations of all credential and graduate students. (See the Education Department Student Handbook.) Students who do not meet expectations will receive a Notice of Concern as part of the Department's formative feedback assessment process.

- **Students with Disabilities:**

Mount Saint Mary's University Los Angeles, in compliance with state and federal laws and regulations, does not discriminate on the basis of disability in administration of its education related programs and activities. We have an institutional commitment to provide equal educational opportunities for disabled students who are otherwise qualified. Students with documented disabilities must see Lisa Villa, Associate Director, Student Support Services (310) 954-4138, lvilla@msmu.edu OR Brandon Roberson, Director of the Doheny Student Resource Center (213) 477-2692, broberson@msmu.edu, to make arrangements for classroom accommodations. It is the responsibility of the student to obtain accommodation letters from the director and to make arrangements for the implementation of accommodations with faculty and/or staff in advance. Students who believe they have been subjected to discrimination on the basis of disability, or have been denied access to services or accommodations required by law, should contact the campus Disability Services Coordinator at his/her campus for resolution. For more information regarding disability grievance procedures, go to: <https://welcome.msmu.edu/academics/learning-assistance/ISAE/Documents/DisabilityGrievanceProcedures.pdf>

MSMU Office Information:

- Please call the Education Department secretary, Hanae Jonas to make an advisement appointment: (213) 477-2620.
- The FAX number for the Education Department is (213) 477-2629.

Other Classroom Information and Instructional Policies

All assignments – purpose, instructions and rubric will be discussed and provided on canvas. Any papers must be typed, organized with appropriate headings, and accurate in the conventions of writing (spelling, grammar, etc.) Assignments are due on the assigned date. Late assignments/ papers will not be accepted unless prior arrangements

are made with the instructor. Assignments may be resubmitted at the discretion of the instructor.

- **Quality of Work/Writing Expectations:**

The MSMU Education Department expects all credential and master's candidates to demonstrate their ability to act as literacy models for K-12 students by submitting high quality, written assignments and projects. All assignments should be thoughtfully prepared, written in standard academic English, and free of grammatical and spelling errors. Candidates' assignments turned in with serious writing errors, including a high numbers of typos, will either be asked to resubmit the assignment or have significant point/ percentage reductions.

Find a friend who will read and edit your assignments with you before preparing and submitting a final draft. Use **12-point Times New Roman or Arial font, double-spacing, and one-inch margins**. (Note: Educators must be excellent language and literacy models. Written work with multiple grammatical/ spelling errors per page will receive point reductions.)

- **Learning Resource Center and the Professional and Academic Resource Center (PARC):**

Professional and Academic Resource Center - Writing assistance

Need or want help with one of your assignments? The Professional and Academic Resource Center (PARC) is available. Located on the sunny second floor of Building 10, the PARC serves the needs of the Graduate Division and the Weekend/Evening Courses. Friendly, highly-qualified associates are available evenings and weekends to assist students with a wide range of topics, including writing, research, math, statistics, and career development.

The PARC offers appointments in-person and over the phone. To make an appointment, please visit the PARC page on the portal (MSMU Portal at Academics at Professional and Academic Resource Center at Schedule an Appointment). The PARC also offers an online paper review service, which allows students to submit a paper and receive comments from an associate within 72 hours. To access this service, simply click "Submit a Draft Online" on the PARC portal page. All appointments (in-person, phone, or online) are 45 minutes long. All appointments (in-person, phone, or online) are 45 minutes long. (213)477-2898, PARC@msmu.edu, located on the second floor of Building 10.

- **Tardiness:**

For the purpose of this Summer 2020 class being offered as an online course, being late to class is defined as 15-minutes or more from the starting time of the synchronous session. Please contact your instructor as soon as possible if you are having trouble accessing the synchronous session and/or are experiencing personal difficulties with attending class. *Please see requirement for missed sessions/ absences.*

- **Peer Support:**

Please exchange phone numbers and/ or email addresses with your classmates/ colleagues for mutual help and support. Find a friend who will read and edit your assignments with you.

- **E-Learning System (Canvas):**

The syllabus, presentations, assignment and corresponding rubrics and most handouts will be posted on Canvas. Also be sure to check your MSMU email or set the filters to receive the messages automatically on your personal account. You are responsible for receiving messages and reading Canvas

- **Cell Phone Number Access:**

The Education office maintains a cell phone number list so that we can call you for any immediate changes in class meetings, or other emergencies. Please keep your instructor informed with your best contact numbers throughout the program.

- **Course Credit Hours:**

A credit hour is an amount of work represented in intended learning outcomes and verified by evidence of student achievement that reasonably approximates not less than:

- 1) One hour of classroom or direct faculty instruction and a minimum of two hours of out-of-class student work each week for approximately fifteen weeks for one semester, or the equivalent amount of work over a different amount of time; or
- 2) At least an equivalent amount of work as required in paragraph (1) for other academic activities, including laboratory work, internships, practica, studio work, and other academic work leading to the award of credit hours.

ASSIGNMENTS

Note: Instructions for Assignments and rubrics will be provided on canvas

Attendance and Participation (95 points)

This course will consist of synchronous and asynchronous learning activities. Synchronous sessions, if scheduled, will only occur on the regularly scheduled Sunday and the times will be determined based on the activity for that session. Attendance and participation in the synchronous and asynchronous learning is essential for the online course. The content provided in any lecture as well as the activities planned in each session are contingent upon completing the required readings. Students should be prepared to identify critical issues for each set of assigned readings and be prepared to respond (via canvas topic discussion, live session, Flipgrid). For each class session the 15 total points that comprise attendance and participation will be delineated on canvas for full transparency.

Breakdown for Attendance and Participation points:

Attendance (may be synchronous or asynchronous)	10 points per class	60 points total
Participation	5 points per class	30 points total
Assignments (all assignments turned in on time)	n/a per class	5 points total

Pre-class Assignment (10 points)

Online Autism Course and Project Activity (20 points)

[Online Autism Course](#)

From the Perspective of Autism Assignment (10 points)

The purpose of this assignment is to support the student in understanding the importance of a) the individuality of the learner beyond the label, b) seeing outside the view of teaching the student in your classroom; c) gaining perspective on the impact to the family. Relationships are the key to creating positive learning experiences for all learners. Thus, our mindset, our way of thinking, and our perspective is critical as an educator.

Fast Facts Assignment (10 points)

The purpose of this assignment is to provide each student with the necessary basic knowledge for commonly experienced neurological disorders within an educational setting (e.g., ADHD, Cerebral Palsy, Speech-Language Impairment, Specific Learning Disability, Intellectual Disability, Epilepsy etc.) and how to accommodate the environment and/or differentiate instruction to meet the student needs. This assignment must include at minimum the following: Speech or Language Impairment, Specific Learning Disability, ADHD, and ID.

Evidence Based Practice (EBP) Project (20 points)

The purpose of this assignment is to a) support the student’s understanding of the EBPs; b) provide the student with an opportunity to make use of identified EBPs to assist the learner with autism in accessing the curriculum; and c) develop a sense of the collaboration required amongst general and special educators. *This assignment must be completed in as a small group.*

**Department of Education
Candidate Dispositions Statement**

The Education Department of Mount Saint Mary's University ("MSMU") assesses the *disposition* of each candidate in its teaching program, in addition to assessing each candidate's knowledge and skills. This approach is in keeping with a national trend in which candidates are expected to demonstrate an orientation to learning that supports student achievement. Specific dispositions are determined by each teacher preparation program.

*MSMU Education Candidates are required to demonstrate the following dispositions:

1. Demonstrate classroom behaviors consistent with fairness and the belief that all students can learn.
2. Demonstrate respect for children, families, communities, colleagues, and supervisors.
3. Conduct and represent oneself in a professional manner (including dress, behavior, and attitude).
4. Exemplify ethical behavior and integrity.
5. Engage in self-reflective practice and professional growth.
6. Meet deadlines; be punctual; exemplify outstanding attendance and participation.
7. Follow coursework and fieldwork assignment directions given by instructors and advisors.
8. Receive and make use of constructive feedback from instructors and advisors with openness and interest in improvement.
9. Follow through with suggestions and/or direct instructions from instructors, advisors, and University staff.
10. Be engaged and collaborative during discussions and activities required by courses and fieldwork experiences.
11. Communicate clearly (both orally and in writing) with University staff, instructors, and advisors.
12. Reflect these expected dispositions in work with students, families, and communities.

MSMU Education Candidates will be evaluated to ensure they exhibit the Required Dispositions. These evaluations will be based on the candidate's approach to all aspects of their teacher preparation program (advisement, in class experiences, fieldwork experiences, and communication with MSMU faculty and staff).

Any MSMU Education Candidate who fails to exhibit the Required Dispositions may be dismissed from the Teacher Credential Program and/or the Graduate Division and/or the University. The ultimate decision as to dismissal shall remain with the Graduate Dean and/or President of the University. Nothing in this Policy shall limit in any way the ability of MSMU to dismiss a candidate without first providing a Notice of Concern and/or to dismiss a candidate for reasons other than those set forth in this Policy.

By signing below, I acknowledge that I understand MSMU's Candidate Disposition Policy and I understand that I must exhibit the Required Dispositions in order to successfully complete the MSMU education program to which I am applying.
