The culminating project of this course involves **collecting objective observational data** of a student, using that data to **make a claim about the development of the student**, and supporting your claims **with textual evidence**. This assignment will show you what our expectations are for this final project, and how to complete it.

Watch the **presentation here** [_\(http://somup.com/cY1oDpQYJV\)_](http://somup.com/cY1oDpQYJV) to see how to complete this assignment.
