

EDU 1/210: Assignment #2
Present Your Technology Assessment
Mount Saint Mary's University, LA

Group Members: _____

5 pts

Assignment Objective: Facilitate and support students in assuming increasing responsibility for learning and self-advocacy based on individual needs. Candidates plan an experience that incorporates educational technology to provide opportunities for students. This is a group activity where candidates create a student activity, which outlines a student experience incorporating Educational Technology. The activity shows students achieving and demonstrating content specific learning and student self-assessment for the activity.

- 1. Describe your plan to provide students an experience that incorporates Ed Tech (digital/virtual tools and resources) (3 Points)**
- 2. Identify the objective that shows how your students will achieve and/or demonstrate the content-specific learning goals. (1 Point)**
- 3. How does your plan offer an opportunity for your students to demonstrate self-assessment?**

**include appropriate links*

Google Docs: 11th Grade Research Paper

- 1. Students will write their research essays on Google Docs.**
- 2. What: Students will analyze the development of civil rights. (11.10 US History Standard)**
How: By writing an essay on Google Docs.
- 3. Student Self-Assessment can be achieved by having students use check off list at the bottom of their essay template (see link).**
