REVIEW THE RUBRIC BELOW

Revisit a previous lesson plan that you have created - ideally the one you've been working with throughout this course.

1. Find **two sections** where you could add **multiple means of expression**. Number each of the UDL strategies.
Consider all student activities, participation, any informal / formal assessments, warm-up activities, discussions, and any formative / summative / diagnostic assessments.
2. Discuss or list **accommodations** you will provide your students who need additional support to access the curriculum **for the entire lesson**. Number each of the accommodations.

Show your UDL revisions in **RED** font. Show your **accommodations** in **GREEN** font. Number each of the UDL strategies and accommodations.

PLEASE NOTE: For this assignment, you may not copy a lesson plan from an online source. We want you to demonstrate that **YOU can create multiple means of expression for your students.**
