Online Session 13 - Focus: Technology / Internet Support for Academic Content

Focus: This session will focus on the continually emerging resources on the internet that can support your teaching.

DUE: You will turn in the assignment to Canvas – NOV. _____

Tasks for Session 13 Online - Technology in the Classroom
Task 1 Go to Khanacademy.org **You have to either sign in or register but it is free.** A. The home page has changed considerably if you have not been on the site lately; however, it is still pretty simple to move around. B.   Take a look at the NEWS and IMPACT links. C. You will use the worksheet to summarize and reflect as directed.
Task 2 Pick 2 **content area tutorials from the Khan web site, even if they are not in your content area.** Explore the tutorials. Watch the clips and respond to the questions in the worksheet section of this assignment.
Discussion Board Assignment
Task 3: DUE **Canvas Discussion Board Required Post Assignment: Click on Discussions** **Choose three websites** out there in the world wide web that you think look particularly intriguing or useful for your Content Area and/or for your teaching methodology. On the Canvas discussion board in the Online Lesson 13 section, please **post the 3 web sites** that you have found, or that you have researched and think might be useful, to support either your academic content or your teaching in general. Be sure to: **1. Give your name** **2. List the URL and a one sentence descriptor about the site.**

Use this worksheet for your responses to the Khan Academy videos.	
Task 1) Khan Academy	1. Upon reading the news and impact sections, describe <mark>one element</mark> that you wish to comment upon in a few sentences.
	2. Discuss why that element caught your interest, either in a negative or positive way? <mark>1-2 Paragraphs</mark>
Task 2: Content Area Exploration Identify the content areas you explored. Then answer these questions.	1. I watched: a. How effective was the tutorial for teaching the concept? Explain your answer.
	b. How might you use similar software in your own class?
	c. Discuss at least one pro and one con for this type of teaching.
	2. I watched: a. How effective was the tutorial for teaching the concept? Explain your answer.
	b. Discuss at least one pro and one con for this method of teaching the content.
	c. Overall, discuss in 1-2 paragraphs how you currently use technology in your classroom or how you hope to use it in the future.
