Subject: Grant Opportunity for MSMU Students
Date: Monday, December 6, 2021 9:52:56 AM
Attachments: [image001.png](#)

Dear Student:

MSMU is eligible under the federal America Rescue Plan Act of 2021 to provide financial assistance in the form of direct cash grants or financial aid to students with significant financial need who have been impacted by the Covid-19 Pandemic. MSMU may provide grants to students who have experienced expenses related to the pandemic or who are experiencing challenges in financing their education. Your university cost of attendance expenses such as food, housing, course materials, technology, health care, and child care are included.

HEERF funds are available for all graduate and undergraduate students. Students do not need to already be receiving federal financial aid in order to qualify for assistance.

These funds are not part of a financial aid award and eligible students may use these funds to address whatever emergency financial needs they are experiencing. However, students may elect to put these funds towards MSMU charges and will be provided an opportunity to opt-in to do so.

If you are facing unique financial challenges as a result of attending MSMU during the COVID-19 pandemic, you should complete the HEERF III Application. This application identifies costs that may make you eligible for emergency grant funding. As funds are limited, they will be awarded based on the number of students in need and the necessary institutional methodology to best assist the most students. Students may not be directly reimbursed for all costs included in the application. You can access the application [here](#).

We ask that all students submit their application as soon as possible. We will continue providing funds until the entire allotment of MSMU HEERF funding is provided to students.

Please reply to this email if you have any questions after reviewing the application.

Thank you,

Enrollment Services
