

Dear Student:

We are pleased to inform you that you will be receiving a spring disbursement from funds made available to MSMU by the Higher Education Emergency Relief Fund (HEERF) III.

You are not required to submit another application. Based on the amount you received last semester, the University has opted to provide a second disbursement for this academic year. Unfortunately, because of the remaining available funds, this disbursement will be less than the first one.

A final grant in the amount of \$ 1255.07 will be posted to your student account on 2/24/22 and will be processed based on the option you chose on your original application. If you did not opt to apply the grant to your student account, we will issue a refund within 10-14 business days for you to access.

We are happy to have been able to provide this much-needed assistance to our students and wish you a successful semester.

Sincerely,

Enrollment Services
