

GLOBAL WOMEN IN STEM AND POLICY

The Global Women in STEM and Policy Undergraduate Research Training Honors Program (GWSTEM) trains cohorts of undergraduate women to conduct basic and applied research in both the sciences and social sciences with a focus on global and interdisciplinary approaches. This program is a reflection of the Mount's mission and strategic plan to empower women, engage in a global environment, and to increase undergraduate research opportunities. *Take courses in Policy and STEM. Engage in Summer Research Abroad!*
