THIS IS THE MOUNT

For more than 90 years, Mount Saint Mary's University in Los Angeles has been dedicated to excellence in teaching the arts, the health sciences, humanities and social service. We provide a unique setting where young women can let their imagination and creativity soar. We prepare our graduates to lead a meaningful professional, personal and community life.

We're a Catholic university, and we welcome and educate women of all faiths. We encourage our students to understand that how they live is a reflection of their own values, and the Mount gives them an opportunity to explore and define those values. Compassion, service to others and respect for themselves are at the heart of who we are and who we hope they will become.

OUR CAMPUSES

THE DOHENY CAMPUS

Home to our traditional undergraduate, nursing (ABSN, ADN, RN to BSN), Weekend and Graduate Programs, the Doheny Campus is made up of a circle of Victorian style mansions, surrounded by exotic trees, flowers and spacious lawns. Located just south of downtown Los Angeles in the historic West Adams, the campus is a favorite Hollywood filming site. The Doheny Campus serves approximately 550 students, and is near the intersection of the 10 and 110 freeways.

THE CHALON CAMPUS

Home to our traditional undergraduate programs, the Chalon Campus sits high in the Brentwood hills overlooking Los Angeles, near the world-famous Getty Center. With its striking Spanish colonial architecture and an amazing ocean view, this campus is safe and secluded, yet in the center of everything. Over 1,400 undergraduate students enjoy scenic views and the quiet setting, and about 500 students live on the Chalon Campus.
